- Planning and development of college wide initiatives*, Board policies, and administrative procedures
- Resource allocation of supplemental General funds
- Resource allocation of categorical funds

*Note: within the scope of this document, “college wide committees” are those that make recommendations through the PGC to the Chancellor and have representation from all constituency groups (including students, where appropriate). “College wide plans” or “college wide initiatives” involve input from all constituency groups (including students, where appropriate) and are recommended through the PGC to the Chancellor; college wide plans and initiatives represent the overall direction of the College and involve collaborations across divisions.

5. Academic and professional matters require the recommendation of the Academic Senate. When a committee, workgroup, task force, or other group serving under the auspices of the Participatory Governance Council, are considering matters that fall under the 10+1, the principles and steps outlined in BP and AP 2.08 Collegial Governance shall be followed.
6. Standing committees shall not be subject to the Brown Act or other state open meeting laws. However, committees shall comply with the District Public Access Sunshine Policy (BP 1.16). Agendas and all supporting materials shall be posted on the appropriate webpage at least 72 hours prior to the meetings.
7. When appointments are made, notification is sent to the person appointed, to the chair(s) of the committee, and to the Chancellor. Appointed members may serve until they are reappointed or replaced.

H. The following provisions shall apply to both the PGC and Standing Committees:

1. Process for conducting meetings:
 - a. The Chair or designee will facilitate meetings insuring open discussion and completion of agenda
