Is it possible to export the data to do additional analysis?

13 33 38 From Cardie Magher to Everyone

Also the end point for previous semesters?

Can't you just store the historic data so that you aren't pulling it fresh?

13 44 58 From Cardie Magher to Everyone

But the underlying data?

13 46 41 From Cardie Magher to Everyone

How would we access this?
