

Everyone:

for suggestions

14:05:39 From Joe Reyes to Everyone:

I'm taking time away from the RFP software committee that is looking for an answer to our registration system to be here.

14:05:58 From Pam Mery to Everyone:

Thank you, Joe!

14:06:09 From Pam Mery to Everyone:

Definitely understand that there are concerns about registration.

14:06:14 From Heather Brandt, CCSF Student Chancellor [Ella/She/Her] to Everyone:

I am sorry that you have to do that Joe

14:06:19 From Heather Brandt, CCSF Student Chancellor [Ella/She/Her] to Everyone:

I am in the same position

14:07:37 From Heather Brandt, CCSF Student Chancellor [Ella/She/Her] to Everyone:

I see

14:08:17 From Mitra Sapienza, she/her to Everyone:

Which is why the other metrics stand out as areas for us to focus on to close equity gaps.

14:10:57 From Heather Brandt, CCSF Student Chancellor [Ella/She/Her] to Everyone:

Can the objectives be put into a google doc to collaborate on?

14:14:44 From Geisce Ly (he/him) to Everyone:

@Yes, I'll do that soon.

14:15:04 From Geisce Ly (he/him) to Everyone:

@Heather: Yes, I'll do that soon.

14:15:32 From Heather Brandt, CCSF Student Chancellor [Ella/She/Her] to Everyone:

No worries. No rush, just didn't know if you saw my ask

14:29:06 From Heather Brandt, CCSF Student Chancellor [Ella/She/Her] to Everyone:

Access

14:39:47 From Mitra Sapienza, she/her to Everyone:

bartering services!! Love it!

14:40:09 From Heather Brandt, CCSF Student Chancellor [Ella/She/Her] to Everyone:

Maybe it can be more than just Guillermo that helps with the pulling of weeds. Is that something you need Steven?

14:40:30 From J Carlin (They/Them) to Everyone:
